ORDER:

In the reference 1st read above, the Commissioner, Vijayawada Municipal Corporation, has submitted the proposal for according administrative sanction for the work of providing box type storm water Diversion Channel of size 2.00 x 1.50 Mtrs from Jenda Chettu to Krishna East Main Canal, in Vijayawada, at an estimated cost of Rs.1.85 Crores by meeting the same from the General Funds of the Corporation and requested to ratify the action taken by the Vijayawada Municipal Corporation in having awarded the work to the executing agency - vide Proceedings Dt.16.09.2011, so as to proceed further in execution of the work.

2. In the reference 2nd read above, the Director of Municipal Administration, has been requested to furnish the remarks on the above proposal.

3. In the reference 3rd read above, the Director of Municipal Administration, has informed that, the Engineer-in-Chief (Public Health) in his Letter, Dt.16.03.2012 has stated that, the proposed drain is water drain in I-Town area in Vijayawada City and as per the report of the Chief Engineer, Vijayawada Municipal Corporation, the proposed drain is included in the comprehensive plan of DPR prepared for storm water drainage system in I-Town area of Vijayawada City. Hence, it is proposed to take up a box type storm water diversion channel size 2.00 X 1.50m for diverting storm water from Jenda Chettu Junction to Krishna East Main Canal to avoid frequent inundation in I-Town area of Vijayawada City.

4. He has further informed that, the cross section of the proposed drain is fit for the required discharge from respective catchments area and the estimate is worked out to Rs.185.00 lakhs and that the Council, Vijayawada Municipal Corporation has resolved to take up the above work vide C.R.No.343, Dated : 05.02.2010 and the expenditure for this work will be met from Vijayawada Municipal Corporation General Funds. Since, the matter is pertaining to inundation of the City, the proposed box type storm water diversion channel of size 2.00 X 1.50m from Jenda Chettu junction to Krishna east main canal is necessary to avoid frequent inundation in one town area.

5. After careful examination of the matter, Government have decided to accord administrative sanction for the work of providing box type storm water Diversion Channel of size 2.00 x 1.50 Mtrs from Jenda Chettu to Krishna East Main Canal, in Vijayawada, at an estimated cost of Rs.1.85 crores (Rupees one crore eighty five lakhs only) by meeting the same from the General Funds of the Corporation in terms of Section 129 of the Hyderabad Municipal Corporation

(P.T.O.)
